Curtis,

I just wanted to say thank you for the work that you do for us. It is very rare that a collections company can perform the way that you have.

You handle our customers extremely well with a high level of courtesy, professionalism and respect. Best of all you get results. We have even had some of our debtors thank us for how they were treated.

Thanking you once again, for everything you have done and yet to do for Bobcat of Omaha.

Sincerely,
